

SENATE FILE NO. SF0039

Student performance data system.

Sponsored by: Joint Education Interim Committee

A BILL

for

1 AN ACT relating to student performance data; requiring the  
2 state department of education to acquire software to  
3 support district body of evidence and student assessment  
4 systems; specifying criteria; providing an appropriation;  
5 and providing for an effective date.

6

7 *Be It Enacted by the Legislature of the State of Wyoming:*

8

9 **Section 1.**

10

11 (a) Based upon the hardware and functionality  
12 requirements specified by the standards and body of  
13 evidence tracking (SBET) advisory group established by the  
14 state superintendent of public instruction, the state  
15 department of education shall acquire necessary data  
16 software to support the requirements of the body of  
17 evidence assessment systems implemented by school districts

1 as required by W.S. 21-3-110(a)(xxiv) to determine levels  
2 of student performance and to comply with state graduation  
3 requirements. To implement this section, the department  
4 shall develop and issue a request for proposal (RFP) in  
5 consultation with the SBET advisory group, enabling  
6 software to be fully functional by school year 2004-2005.  
7 The SBET advisory group shall assist the department in  
8 reviewing and evaluating all proposals submitted in  
9 response to the RFP. Following review and evaluation and  
10 if a proposal is accepted, meets the requirements of this  
11 section and is approved by the SBET advisory group, the  
12 state department shall enter into contract to implement the  
13 proposal subject to available funds appropriated under  
14 subsection (c) of this section sufficient to implement its  
15 provisions.

16

17 (b) In addition to subsection (a) of this section,  
18 the state department shall purchase necessary server  
19 hardware for those districts not capable of using software  
20 acquired under this section with existing hardware and  
21 shall provide training to school district personnel in the  
22 use of computer software for tracking student performance  
23 and body of evidence information.

24

1           (c) Six million two hundred thousand dollars  
2   (\$6,200,000.00) is appropriated from the school foundation  
3   program account within the special revenue fund to the  
4   state department of education to implement this section.

5

6           **Section 2.** This act is effective immediately upon  
7   completion of all acts necessary for a bill to become law  
8   as provided by Article 4, Section 8 of the Wyoming  
9   Constitution.
