6 subparagraph. The student shall have performed in grades nine
7 (9) through twelve (12) not less than a total of one hundred
8 (100) hours of community service meeting the requirements of
9 this subparagraph and rules of the department. Acceptable
10 community service activities shall benefit primarily a person or
11 group of persons other than the student and may include, but
12 are not limited to, reading to children in the elementary grades,
13 tutoring, mentoring younger children or participating in
14 activities that encourage middle school children to prepare for
15 college, and volunteer work through recognized volunteer
16 organizations. For those students graduating from an eligible
17 high school, the school district shall verify that the
18 requirements of this subparagraph have been met. For students
19 not graduating from an eligible high school, rules of the
20 department shall provide for third party verification. Third
21 party verification shall require a certification of compliance by
22 an organization or person unrelated to the student who
23 supervised the student's performance of the community service.
24 Every eligible student shall also certify that he has completed
25 the required community service."
