ENROLLED ACT NO. 20, SENATE

SIXTY-SECOND LEGISLATURE OF THE STATE OF WYOMING
2014 BUDGET SESSION

AN ACT relating to electrical licensing; exempting from licensure persons making routine replacement of light bulbs or lamps as specified; and providing for an effective date.

Be It Enacted by the Legislature of the State of Wyoming:

Section 1. W.S. 35-9-123(a)(viii)(E) is amended to read:

35-9-123. Electrical installations to be performed by licensed electricians; exceptions.

(a) Licensed electrical contractors employing licensed master or journeymen electricians, or registered apprentice electricians supervised by a licensed master or journeyman electrician shall install all electrical equipment. This requirement is waived for the following, however the waiver does not exempt the following persons from meeting all other code requirements under this act:

(viii) Licensed limited electrical contractors employing licensed limited technicians or registered limited apprentice technicians who may install electrical equipment which falls under the scope of their limited license or registration. The electrical work shall only include the electrical system on the load side of the disconnect which supplies power to the electrical equipment that they are licensed to work on. The chief electrical inspector may issue a limited electrical contractor's license to a contractor not qualified for an electrical contractor's license but qualified in his limited area of expertise for the:
