17

18 (iv) "Genetic characteristic" means a gene or  
19 chromosome, or alteration thereof, that is scientifically  
20 or medically believed to predispose an individual to a  
21 disease, disorder, trait or syndrome, or to identify an  
22 individual or a blood relative;

23

1           (v) "Genetic information" means information  
2 about the genetic characteristics of an individual or  
3 members of an individual's family that are the results of  
4 genetic analysis;

5

6           (vi) "Informed consent" means the signing of a  
7 consent form by an individual or an individual's authorized  
8 representative which includes a description of:

9

10           (A) Any genetic analysis to be performed  
11 and how the genetic analysis or resulting genetic  
12 information will be used;

13

14           (B) How any genetic information will be  
15 retained or disclosed;

16

17           (C) An individual's rights under W.S.  
18 35-31-103.

19

20           **35-31-102. Genetic testing; prohibitions; exceptions.**

21

22           (a) Except as provided in subsection (b) of this  
23 section, no person conducting genetic analysis shall do any

1 of the following without the informed consent of the  
2 individual or the individual's authorized representative:

3

4 (i) Obtain an individual's genetic information;

5

6 (ii) Perform a genetic analysis on an  
7 individual;

8

9 (iii) Retain an individual's genetic  
10 information;

11
