skills assessment test shall at a minimum test in the areas of applied math, reading for information and locating information. The state superintendent shall pay all costs associated with administering the college entrance examination and the jobs skills assessment test and shall schedule a day during which both examinations shall be provided to and one (1) shall be administered to all eleventh grade students throughout the state. The date shall be selected so that following receipt of scores, students may timely register for senior year classes which may be necessary to allow the student to qualify for a state provided scholarship. The state superintendent may enter into agreements with an administrator of the college entrance examination and an administrator of the jobs skills assessment test and adopt rules as necessary to ensure compliance with any requirements of an administrator, such as a secure environment.

**21-3-110. Duties of boards of trustees.**

(a) The board of trustees in each school district shall:

(xxix) Beginning in the spring semester 2007, and each spring semester thereafter, administer a program where all students enrolled in the eleventh grade in the district shall be required to take, on a date specified by the state superintendent, either a standardized, curriculum based, achievement college entrance examination or a jobs skills assessment test in accordance with W.S. 21-2-202(a)(xxx). Each school district shall provide the opportunity for all home school and private school students in the eleventh grade and residing within the district to take either the examination or the jobs skills assessment test one (1) time at no cost to the student on the same date the examination and test are administered to all
