

SENATE FILE NO. SF0096

Telecommunications-switched access-2.

Sponsored by: Senator(s) Landen and Case

A BILL

for

1 AN ACT relating to telecommunications; excluding switched
2 access services from price increases in revenue neutral
3 adjustments in rates; and providing for an effective date.

4

5 *Be It Enacted by the Legislature of the State of Wyoming:*

6

7 **Section 1.** W.S. 37-15-203(e) is amended to read:

8

9 **37-15-203. Price regulation of noncompetitive**
10 **essential services.**

11

12 (e) A local exchange company may seek approval to
13 make revenue neutral adjustments, considering only revenue
14 from noncompetitive essential telecommunications services,
15 to the price of noncompetitive essential telecommunications
16 services to reduce or eliminate differences in the price of
17 noncompetitive essential telecommunications services in

1 different portions of its service area. A local exchange
2 company shall not use adjustments under this section to
3 increase receipt of state universal service funds or
4 increase switched access prices.

5

6 **Section 2.** This act is effective immediately upon
7 completion of all acts necessary for a bill to become law
8 as provided by Article 4, Section 8 of the Wyoming
9 Constitution.
