**28-2-119. House legislative districts; lists of
census blocks for split voter tabulation districts in the
house of representatives.**

(a) Subsection (b) of this section creates legislative districts for the Wyoming house of representatives consisting of the numbered legislative districts contained therein. There shall be one (1) representative elected from each legislative district as specified in subsection (b) of this section. The area within a county, voter tabulation district or census block as provided in paragraphs (i) through (iii) of this subsection is determined using the United States bureau of the census topologically integrated geographic encoding and referencing data base (TIGER®). Each numbered legislative district in subsection (b) of this section consists of the combined geographic area within the:

(i) Entire specified county, if the county alone is listed with no geographic subdivision listed below it;

(ii) Voter tabulation district, if any are listed below the particular county; and

(iii) Census block, if any are listed below the particular voter tabulation district. A census block listed below a voter tabulation district indicates a split voter tabulation district.
