4 *Be It Enacted by the Legislature of the State of Wyoming:*

5

6 **Section 1.** W.S. 20-2-304(a) and (b) is amended to
7 read:

8

9 **20-2-304. Presumptive child support.**

10

11 (a) Child support shall be expressed in a specific
12 dollar amount. The following child support tables shall be
13 used to determine the total child support obligation
14 considering the combined income of both parents. The
15 appropriate table is based upon the number of children for
16 whom the parents share joint legal responsibility and for
17 whom support is being sought. After the combined net income

1 of both parents is determined it shall be used in the first
 2 column of the tables to find the appropriate line from
 3 which the total child support obligation of both parents
 4 can be computed from the third column. The child support
 5 obligation computed from the third column of the tables
 6 shall be divided between the parents in proportion to the
 7 net income of each. The noncustodial parent's share of the
 8 joint child support obligation shall be paid to the
 9 custodial parent through the clerk of court:
