"(o)(1) Funds from this appropriation shall be used by the
state loan and investment board for issuing transportation
infrastructure planning and design grants to municipalities
applying for the grants based on the following criteria:

(i) The municipality has experienced significant
population growth over the last ten (10) years;

(ii) The municipality has restricted ingress and
egress to the municipality which create safety issues for the
residents of the municipality; and

(iii) The grant funds will be used to match at least
one hundred thousand dollars (\$100,000.00) of other funds
secured by the municipality for the design and planning of
transportation infrastructure to alleviate safety issues
surrounding ingress and egress to the municipality."
