1. The geological survey shall study the processes and procedures for recording mineral exploration data in major mineral-producing jurisdictions of the United States, Canada, Australia and other mineral exporting countries, as appropriate. The state geologist shall report the findings from the study no later than November 15, 2015 to the joint minerals, business and economic development interim committee."

To the extent required by this amendment: adjust totals; and renumber as necessary. MILLER, BURKHART, NICHOLAS, B.
