"[LOCAL GOVERNMENT DISTRIBUTIONS II]

Section 316.

(c) In addition to other appropriations under this section and notwithstanding W.S. 9-4-719(c), there is appropriated from the general fund up to thirty-five million dollars (\$35,000,000.00) from earnings from the permanent Wyoming mineral trust fund in excess of the spending policy established in W.S. 9-4-719(d) attributable to the period beginning July 1, 2014 and ending June 30, 2015.

(d) Funds appropriated and identified in subsection (c) of this section shall be distributed as follows:

(i) Up to thirty-five million dollars (\$35,000,000.00) or as much thereof as is available shall be expended for the purpose of grants for capital improvement projects and shall be allocated for each county as provided by subsection (a) of this section, except:

(A) Funds appropriated and identified in subsection (c) of this section shall only be expended for capital projects, including capital projects constructed by special districts. To be eligible for the grants, the board of county commissioners and the governing bodies of the cities and towns within that county that comprise at least seventy percent (70%) of the incorporated population shall certify to the state loan and investment board that they have reached agreement on the projects for which the funds will be used;

1
2 (B) The entire appropriation of these additional
3 funds shall not be distributed until after October 15, 2015.
4

5 ~~(e)~~ (e) For purposes of this section, population is to be
6 determined by resort to the 2010 decennial federal census as
7 reported by the economic analysis division within the department
8 of administration and information and as defined in W.S. 8-1-
9 102(a) (xv) .

10
11 ~~(d)~~ (f) In preparing the 2017-2018 biennium budget, the
12 governor shall include a recommendation of one hundred twenty-
13 five million dollars (\$125,000,000.00) from the general fund for
14 appropriation to cities, towns and counties, if the general fund
15 and budget reserve account total revenues for fiscal years 2017
16 and 2018 as projected by the consensus revenue estimating group
17 in the October 2015 estimation process equal or exceed the
18 general fund and budget reserve account projected total revenues
19 in the January 2014 revenue estimates.
20

21 ~~(e)~~ (g) Amounts granted for capital project funding under
22 this section which are in excess of final project costs shall
23 not revert upon project completion, but may be applied by the
24 recipient governing bodies to any remaining project agreed upon
25 in the consensus process at the county level as determined by
26 the governing bodies. To the extent excess funds are not
27 sufficient to complete an additional project those funds may be
28 held by the county treasurer for future project use as
29 authorized in this subsection. As determined by the governing
30 body in each county, amounts granted to a recipient governing
31 body for a future project for which the funds will not be
32 formally encumbered during the 2015-2016 biennium, shall not
33 revert.".

34
35 To the extent required by this amendment: adjust totals; and
36 renumber as necessary. SCHWARTZ
