

SF0005S2001

Page 2-after line 9 Insert:

"(b) Before acceptance and transfer of the land and facility as provided in subsection (a) of this section, the transferor shall preform an environmental impact survey on all land and facilities to be transferred to the state. Any environmental contamination or hazards that may be found shall be remediated at the expense of the transferor. The transferor shall agree to indemnify the state of Wyoming from all future liability for any environmental hazards resulting from the transferor's prior use."
