10 Page 5-after line 12 Insert:
11

12 "(c) Electronic pollbooks shall:
13

14 (i) Be used only when source documents are created,
15 secured and separately maintained from which the electronic
16 pollbooks can be independently reconstructed if necessary,
17 including a physical receipt which requires electors to
18 acknowledge, by signature or otherwise, their voter registration
19 data;
20

21 (ii) Be operated in a manner to assure that a loss of
22 electrical power or other minor technical issues will not
23 invalidate the results of the election for which the electronic
24 pollbooks are used;
25

26 (iii) If comprised in whole or in part of software,
27 contain source code which is disclosed to election officials or
28 their designees as necessary to assure its validity and security
29 or be open source and available for public inspection;
30

31 (iv) Be used only upon an audit of security
32 procedures and certification that the electronic pollbooks are
33 secure and have not been corrupted. The audit shall be
34 conducted by a person with no financial interest in the
35 electronic pollbooks and in consultation with the secretary of
36 state's office and the state chief information officer."
