[JOINT SUBCOMMITTEE ON ECONOMIC DEVELOPMENT]

3

4

Section 342.

5

6

7

(a) There is created the joint subcommittee on economic development programs.

8

9

(b) The joint subcommittee shall be comprised of:

10

11

(i) Three (3) members of the joint minerals, business and economic development interim committee;

12

13

(ii) Three (3) members of the joint appropriations interim committee;

14

15

(iii) Members and chairmen of the committee shall be appointed by the respective committee chairmen.

16

17

(c) The joint subcommittee shall meet to study the state's role in providing aid and assistance for economic development projects. The study shall continue a review initiated in 2014 of the Wyoming business council, its

18

19

1 programs, funding mechanisms, rules and regulations, and the
2 use of funds pursuant to article XVI, section 12 of the
3 constitution of the state of Wyoming.

4

5 (d) The joint subcommittee shall make recommendations to
6 the joint minerals, business and economic development interim
7 committee and the joint appropriations interim committee not
8 later than October 31, 2015. Based on the findings of the
9 joint subcommittee, the appropriate committee may consider
10 development of legislation for introduction during the 2016
11 budget session.

12

13 (e) The joint subcommittee shall exist until December
14 31, 2015.

15

16 (f) There is appropriated ten thousand dollars
17 (\$10,000.00) from the general fund to the legislative service
18 office for payment of salary, per diem and mileage for members
19 of the joint subcommittee.

Section 343.

5

6

7

(a) The select committee on school finance recalibration is created consisting of the following members:

8

9

10

11

12

13

14

(i) Not more than five (5) members of the Wyoming senate appointed by the president of the senate of which one (1) member shall be the chairman of the senate education committee and one (1) member shall be the chairman of the senate appropriations committee;

15

16

17

18

19

20

21

22

23

(ii) A number of members of the Wyoming house of representatives equal to the number of Wyoming senators appointed under paragraph (i) of this subsection not to exceed a total of five (5) house members appointed by the speaker of the house of representatives, of which one (1) member shall be the chairman of the house education committee and one (1) member shall be the chairman of the house appropriations committee;

1 (iii) Not less than one (1) and not more than two
2 (2) members from each house shall be from the minority party;

3
4 (iv) The cochairmen of the select committee shall
5 be appointed by the president of the senate and the speaker of
6 the house, respectively.

7
8 (b) The select committee shall undertake a study to
9 recalibrate the education resource block grant model as
10 required under W.S. 21-13-309(t) to determine if modifications
11 are necessary to ensure the model remains effective and cost-
12 based in light of changing conditions and modifications to
13 law. The department of education, department of workforce
14 services, school districts and the school finance data
15 advisory committee established under W.S. 21-2-203 shall
16 collect and provide the information requested by the select
17 committee.

18
19 (c) The select committee shall report its
20 recommendations and any associated legislation to the
21 legislature in time for consideration during the 2016 budget
22 session and may, through the approval of the management
23 council of the legislature, contract for necessary consulting

1 expertise. The select committee may develop and introduce
2 legislation as necessary to effectuate the purposes of this
3 section.

4

5 (d) Appointments shall be made under this section not
6 later than March 15, 2015. The select committee shall exist
7 until March 31, 2016. Any vacancy occurring on the select
8 committee shall be filled by the president of the senate or
9 speaker of the house of representatives, as appropriate,
10 immediately upon the vacancy occurring.

11

12 (e) For the period beginning on the effective date of
13 this section and ending June 30, 2016, there is appropriated
14 from the school foundation program account to the legislative
15 service office sixty thousand dollars (\$60,000.00) to provide
16 salary, per diem and mileage for members of the select
17 committee and to fund other expenses of the select committee
18 as necessary to carry out this section.

Section 345. The state auditor shall calculate the amount by which earnings from the permanent Wyoming mineral trust fund attributable to the 2015 fiscal year are both in excess of the amount projected for such earnings in the consensus revenue estimating group's January 2015 report plus the amounts deposited into the strategic investments and projects account under Section 300(n)(ii) of this act and less than the spending policy amount for fiscal year 2015 as determined pursuant to W.S. 9-4-719. The appropriations under

1 this section shall not exceed the amount calculated by the
2 state auditor. Notwithstanding any other provision of law,
3 appropriations under this section shall not be transferred or
4 expended for any other purpose and shall not be included in
5 any agency's 2017-2018 standard budget request, unless
6 otherwise specified. Any unexpended, unobligated funds
7 remaining from this appropriation shall revert as provided by
8 law on June 30, 2016, except that appropriations in this
9 section for any capital construction projects remain in effect
10 until the project is completed and appropriations to any other
11 account or fund in this section shall remain in those accounts
12 or funds. To the extent funds are available, the
13 appropriations shall be made available as soon as practicable
14 on or after June 30, 2015, but not later than sixty (60) days
15 after the end of the 2015 fiscal year. In the event there are
16 insufficient funds to accomplish the purposes of all
17 appropriations in this section, appropriations shall be made
18 in priority order, with the total appropriation funded for
19 each priority before funding the next priority as specified.
20 From funds calculated under this section, the following sums
21 of money, or so much thereof as necessary, are appropriated as

5

6 a. Funds from this appropriation shall be deposited into
7 the capitol building rehabilitation and restoration account
8 created by W.S. 9-5-109(j).

9

10 b. Funds from this appropriation shall be directed to
11 the Wyoming water development commission for the Gillette
12 Madison water project as authorized by W.S. 99-3-1405.

13

14 c. Of this appropriation, three hundred four thousand
15 dollars (\$304,000.00) shall be directed to the municipal solid
16 waste cease and transfer loan account created by W.S.
17 35-11-529(b) and six million one hundred thousand dollars
18 (\$6,100,000.00) shall be directed to the municipal solid waste
19 cease and transfer grant account created by W.S. 35-11-529(a).

20

21 d. Funds from this appropriation shall be administered
22 in the same manner as provided in Section 2, Section 067,

1 footnote 5 of this act for the period beginning July 1, 2015
2 and ending June 30, 2016.

3
4 e. Funds from this appropriation shall be directed to
5 the state treasurer to be deposited into an account which
6 shall be held by the state treasurer for distribution to the
7 University of Wyoming for the first lady's literacy center and
8 related literacy programs. Such funds shall only be available
9 for expenditure to the extent cash or cash equivalent
10 contributions are actually received by the University of
11 Wyoming. The university shall provide quarterly reports of
12 contributions received as required by the treasurer to
13 implement this footnote. The treasurer on a quarterly basis
14 shall match reported donations by distributing to the
15 university an amount equal to the amount of qualifying
16 contributions for the quarter. Notwithstanding W.S. 9-2-1008,
17 9-2-1012(e) and 9-4-207, unexpended, unobligated funds
18 appropriated under this priority shall not revert until June
19 30, 2018.

20
21 f. Funds from this appropriation shall be directed to
22 the state treasurer to be deposited into an account for
23 distribution to the university athletic challenge account

1 under W.S. 21-16-1001 through 21-16-1003. Notwithstanding W.S.
2 21-16-1001 through 21-16-1003, binding commitments for
3 donations are eligible for the matching funds under this
4 priority if the donation will be fully paid by December 31,
5 2020, and the state treasurer shall distribute to the
6 university matching funds under this priority for any donation
7 eligible for the match upon receipt of proof of a binding
8 commitment for the donation.

9

10 g. Funds from this appropriation shall be directed to
11 the state treasurer to be deposited into an account which
12 shall be held by the state treasurer for distribution to the
13 University of Wyoming for research by university faculty
14 related to unconventional oil and gas reservoirs pursuant to
15 agreements between the university and private or non-Wyoming
16 public entities. All funds appropriated in this footnote shall
17 only be available for expenditure to the extent cash or cash
18 equivalent matches are actually received by the University of
19 Wyoming for the purposes of university staff conducting the
20 specified research pursuant to those agreements. The
21 university shall provide quarterly reports of matches received
22 as required by the treasurer to implement this footnote. The
23 treasurer on a quarterly basis shall match reported cash or

1 cash equivalents by distributing to the university an amount
2 equal to the amount of qualifying matches for the quarter.
3 Notwithstanding W.S. 9-2-1008, 9-2-1012(e) and 9-4-207,
4 unexpended, unobligated funds appropriated under this priority
5 shall not revert until June 30, 2018.

6

7 h. Funds from this appropriation shall be directed to
8 the University of Wyoming to be expended as additional amounts
9 under the same constraints as monies provided in 2014 Wyoming
10 Session Laws, Chapter 26, Section 2, Section 067, footnote 4.

11

12 j. Of this appropriation, the college may expend any
13 amount necessary for purposes of the authorized design of the
14 capital construction project.

15

16 k. In developing planning for and executing phase II of
17 the top-tier science program, the renovation of the animal
18 sciences-molecular biology wing of the animal science building
19 to accommodate additional space for animal sciences shall be a
20 priority of the university.

21

22 m. Of this appropriation, one million dollars
23 (\$1,000,000.00) shall only be expended in equal amounts as

1 private matching funds in not less than ten thousand dollar
2 (\$10,000.00) increments are received by the department for job
3 training and placement of eligible recipients in the temporary
4 assistance for needy families program.

5

6 n. In its 2017-2018 budget request the university shall
7 report to the joint appropriations interim committee on the
8 expenditure of funds under this priority and may include
9 continuation of this appropriation in an exception request.

10

11 o. Funds from this appropriation shall be directed to
12 the town of Evansville through the department of
13 transportation and shall be expended only upon securing
14 matching funds of at least one hundred thousand dollars
15 (\$100,000.00) for the purpose of designing a bridge over the
16 North Platte River and associated surface improvements in or
17 around Evansville in order to provide additional ingress and
18 egress to the town.

19

20 p. The university shall include this appropriation in
21 its 2017-2018 standard budget request.

22

1 q. Funds from this appropriation shall be deposited into
2 the primary care support account created by W.S. 9-2-127(b)
3 for providing grants under W.S. 9-2-127(c) and (d).

4
5 r. This appropriation shall only be expended for program
6 improvements identified and recommended in the top tier
7 science initiative report submitted in accordance with 2014
8 Wyoming Session Laws, Chapter 26, Section 317, and on file
9 with the legislative service office. In its 2017-2018 budget
10 request, the university shall report on expenditure of these
11 funds and plans for future implementation of the report's
12 recommendations together with corresponding budget needs and a
13 proposed timeline to fully implement the task force
14 recommendations. The report shall acknowledge the continuation
15 of the molecular biology program within the college of
16 agriculture and identify any operational changes necessary for
17 continued operation of that program within the college of
18 agriculture as the initiative is implemented. The report shall
19 be made in consultation with the task force established
20 pursuant to section 317 of this act. Proposed state, private
21 and grant funding sources shall be developed in conjunction
22 with the University of Wyoming board of trustees and the
23 University of Wyoming foundation.

1

2 s. Funds from this appropriation shall be directed to
3 the University of Wyoming for a master's degree program in
4 counselor education and matched by an equal amount of
5 community college funds prior to expenditure.

6

7 t. Funds from this appropriation shall be directed to
8 the legislative service office for purposes related to section
9 349 of this act.

10

11 u. Funds from this appropriation shall be directed to
12 the University of Wyoming and shall only be expended for phase
13 I enhancements at Jacoby golf course including but not limited
14 to a well water system and irrigation improvements.

15

16 [CONTINGENT APPROPRIATIONS FROM INVESTMENT EARNINGS DERIVED
17 IN FISCAL YEAR 2016]

18

19 **Section 346.** The state auditor shall calculate the
20 amount by which earnings from the permanent Wyoming mineral
21 trust fund attributable to the 2016 fiscal year are both in
22 excess of the amount projected for such earnings in the
23 consensus revenue estimating group's January 2015 report and

1 less than the spending policy amount for fiscal year 2016 as
2 determined pursuant to W.S. 9-4-719. The appropriations under
3 this section shall not exceed the amount calculated by the
4 state auditor. Notwithstanding any other provision of law,
5 appropriations under this section shall not be transferred or
6 expended for any other purpose and shall not be included in
7 any agency's 2017-2018 standard budget request, unless
8 otherwise specified. Notwithstanding W.S. 9-2-1008,
9 9-2-1012(e) and 9-4-207, any unexpended, unobligated funds
10 remaining from these appropriations shall revert as provided
11 by law on June 30, 2018, except that appropriations in this
12 section for any capital construction projects remain in effect
13 until the project is completed and appropriations deposited to
14 any other account or fund in this section shall remain in
15 those accounts or funds. To the extent funds are available,
16 the appropriations shall be made available as soon as
17 practicable on or after June 30, 2016, but not later than
18 sixty (60) days after the end of the 2016 fiscal year. In the
19 event there are insufficient funds to accomplish the purposes
20 of all appropriations in this section, appropriations shall be
21 made in priority order, with the total appropriation funded
22 for each priority before funding the next priority as
23 specified. Prior to funding any priorities within this list

1 after priority number two (2), any priorities not funded or
 2 fully funded in section 345 of this act shall first be funded
 3 from funds calculated under this section prior to funding any
 4 remaining priorities in this section as provided in section
 5 345. From funds calculated under this section, the following
 6 sums of money, or so much thereof as necessary, are
 7 appropriated as follows:

13

14 a. Funds from this appropriation shall be deposited into
 15 the capitol building rehabilitation and restoration account
 16 created by W.S. 9-5-109(j).

17

18 b. This appropriation shall only be expended for
 19 purposes of surface transportation - passing lane funding,
 20 consistent with priority number two (2) within the department
 21 of transportation's 2015-2016 supplemental budget request.

22

1 c. The state treasurer shall deposit this appropriation
2 into the UW science initiative account created by section
3 317(c) of this act.

4

5 d. The state treasurer shall deposit this appropriation
6 into the Wyoming community college endowment challenge fund
7 created by W.S. 21-16-1103(a) but shall not distribute any
8 portion of the appropriation to any of the seven (7) separate
9 accounts for each Wyoming community college without further
10 legislative authorization.

11

12 e. This appropriation shall be deposited into the Casper
13 state facilities account which is hereby created. All funds
14 within the account shall only be available for expenditure as
15 specifically authorized by the legislature.

16

17 f. Funds from this appropriation shall be directed to
18 the town of Evansville through the department of
19 transportation and shall only be expended for the purposes of
20 constructing a bridge over the North Platte River and
21 associated surface improvements in or around Evansville in
22 order to provide additional ingress and egress to the town.

23

1 g. Funds from this appropriation shall be deposited in
2 the state facilities construction account created by 2014
3 Wyoming Session Laws, Chapter 26, Section 300(h).

4

5 h. This appropriation shall only be expended for
6 purposes of air services enhancement - assistance, unit 1002
7 within the department of transportation budget.

8

9 j. This appropriation shall be deposited to an account
10 referenced in and subject to the same conditions established
11 in 2014 Wyoming Session Laws, Chapter 26, Section 3, Section
12 067, footnote 2.

13

14 k. This appropriation shall be deposited into an account
15 in the state treasurer's office and shall be available to the
16 department of transportation if matched by not less than two
17 hundred thousand dollars (\$200,000.00) for the cooperative
18 construction of the Moose-Wilson road bike path for continued
19 historic access on these national park lands within Wyoming.

20

21 m. This appropriation shall be deposited into the
22 industrial park savings account, which is hereby created. All

1 funds within the account shall only be available for
2 expenditure as specifically authorized by the legislature.

3
4 n. This appropriation shall be deposited into the
5 disaster reserve account, which is hereby created. To the
6 extent funds are available in the disaster reserve account the
7 funds are continuously appropriated to the governor's office.
8 The governor may only expend available funds on state
9 responses to natural disasters including wildland fires,
10 floods, tornadoes or similar events. The governor shall
11 report to the joint appropriations interim committee
12 immediately upon authorization of any expenditure from this
13 account.

14
15 o. (a) If 2015 SF0059 is enacted into law, this
16 appropriation shall be deposited into the Wyoming public
17 television endowment account created by that act. If 2015
18 SF0059 is not enacted into law, this appropriation shall be
19 deposited into the Wyoming public television endowment
20 account, which is continued from 2008 Wyoming Session Laws,
21 Chapter 48, Section 2, Section 057, footnote 1 and shall be
22 administered as follows:

23

1 (i) Funds from the Wyoming public television
2 endowment account shall be transferred by the state treasurer
3 to a Wyoming public television matching funds account to
4 equally match each cash gift received by Wyoming public
5 television and deposited to the matching funds account. A
6 match shall be paid by the state treasurer from the Wyoming
7 public television endowment account at the time any
8 accumulated amounts actually deposited to the matching funds
9 account total ten thousand dollars (\$10,000.00) or more;

10
11 (ii) The state treasurer shall make transfers to
12 the Wyoming public television matching funds account not later
13 than the end of the calendar quarter following the quarter
14 during which gifts to the matching funds account total at
15 least ten thousand dollars (\$10,000.00). If gifts are made
16 through a series of payments or transfers, no matching funds
17 shall be transferred under this footnote until the total value
18 of all payments or transfers actually received totals at least
19 ten thousand dollars (\$10,000.00);

20
21 (iii) Funds in the matching funds account shall
22 remain inviolate and only the interest income earned from
23 investments of the monies in the matching funds account may be

1 distributed. The state treasurer shall distribute income from
2 the matching account to the community college commission
3 annually. The commission shall distribute these funds together
4 with other appropriated funds to the central Wyoming community
5 college district board for the operations and programming of
6 Wyoming public television pursuant to W.S. 21-18-105(b); and

7

8 (iv) Income from earnings on the Wyoming public
9 television endowment account shall be credited to the general
10 fund.

11

12 p. Funds from this appropriation shall be directed to
13 the state treasurer to be deposited into an account which
14 shall be held by the state treasurer for distribution to the
15 Wyoming wildlife and natural resource trust account created by
16 W.S. 9-15-103(a). Such funds shall only be available for
17 deposit into the Wyoming natural resource trust account to the
18 extent cash or cash equivalent contributions are actually
19 received by the state. On a quarterly basis the treasurer
20 shall match received donations by depositing an amount equal
21 to the amount of qualifying contributions for the quarter to
22 the Wyoming wildlife and natural resource trust account.

23

1 q. Funds from this appropriation shall be directed to the
2 University of Wyoming and shall only be expended for phase II
3 enhancements at Jacoby golf course.

4
5 [STATE FACILITIES - CASPER]

6
7 **Section 347.**

8
9 (a) The department of workforce services and the
10 department of administration and information, construction
11 management section, shall procure an appraisal of the
12 properties and facilities owned by the department of workforce
13 services, located in Casper, Wyoming. The department of
14 administration and information shall develop a plan to
15 construct a new facility or facilities to accommodate the
16 personnel currently located in the facilities which may be
17 sold and other state personnel currently located in or around
18 Casper, Wyoming, as the department of administration and
19 information deems appropriate and efficient. No site shall be
20 purchased nor shall any existing state-owned facility or
21 facilities related to this project be sold without further
22 legislative authorization and approval of the state building
23 commission as provided in W.S. 9-5-102(c). The department of

1 workforce services and department of administration and
2 information shall prepare a report to be delivered to the
3 joint appropriations interim committee and the state building
4 commission on or before July 1, 2015. The report shall:

5
6 (i) Summarize the actions taken under this section;

7
8 (ii) Specify the anticipated disposition of the
9 proceeds from any property or facility sales; and

10
11 (iii) Provide at least two (2) possible sites for
12 the location and construction of a new facility or facilities.

13
14 [LAND ACQUISITION - HONOR FARM]

15
16 **Section 348.** There is appropriated up to two hundred
17 fifty thousand dollars (\$250,000.00) from the general fund to
18 the department of corrections to purchase replacement property
19 necessary for the department to carry on the institutional
20 mission of the honor farm after the disposal of 302.18 acres
21 of department of corrections' acquired institutional lands in
22 Fremont County, provided that the proceeds received from the
23 sale of department of corrections' acquired institutional land

1 is insufficient to purchase replacement property that would
2 allow the department to carry out its mission in a
3 substantially similar manner.

4

5 [ENERGY PRODUCING STATES COALITION - MEMBERSHIP]

6

7 **Section 349.** The participation of Wyoming legislators in
8 the energy producing states coalition, authorized by 2011
9 Wyoming Session Laws, Chapter 92, Section 1 and reauthorized
10 by 2012 Wyoming Session Laws, Chapter 82, Section 1 is hereby
11 continued.

12

13 [BORROWING AUTHORITY - EXECUTIVE BRANCH PROGRAMS]

14

15 **Section 350.**

16

17 (a) The governor is authorized to borrow from pooled
18 fund investments up to twenty million dollars (\$20,000,000.00)
19 necessary to meet funding requirements to fight wildland fires
20 in the event reserves in the office of state lands and
21 investments' forestry division, homeland security natural
22 disaster contingency and the governor's office disaster
23 contingency budget have been exhausted. The governor shall

1 report to the joint appropriations interim committee, the
2 president of the senate and the speaker of the house
3 immediately upon exercise of this authority and shall make a
4 budget request at the next available opportunity to repay any
5 expended funds not repaid from other sources. Interest paid on
6 the amounts borrowed shall be the average interest rate earned
7 on pooled fund investments in the previous fiscal year.

8

9 (b) At the recommendation of the director of the
10 department of administration and information and with the
11 approval of the governor, the state auditor and state
12 treasurer are authorized to borrow from pooled fund
13 investments up to twenty-two million dollars (\$22,000,000.00)
14 necessary to meet cash flow requirements of the employees' and
15 officials' group health insurance plan. The governor shall
16 report to the joint appropriations interim committee, the
17 president of the senate and the speaker of the house
18 immediately upon exercise of this authority. The director of
19 the department of administration and information shall report
20 to the joint appropriations interim committee and the governor
21 within thirty (30) days of exercise of this loan authority
22 with a recommendation on the change of employee payroll
23 deductions, an increase in employer paid premiums, other

1 modifications to the plan or any combination thereof. Interest
2 paid on the amounts borrowed shall be the average interest
3 rate earned on pooled fund investments in the previous fiscal
4 year.

5

6 [GAME AND FISH LARAMIE FORENSIC LABORATORY SALE]

7

8 **Section 351.** The game and fish department, through the
9 construction management section of the department of
10 administration and information, is authorized to sell the game
11 and fish forensic laboratory in Laramie. The sale price shall
12 be the greater of the current appraised value or the price
13 paid for the facility, including any renovation or renovation
14 design work procured by the state. Proceeds from the sale of
15 the forensic laboratory are hereby appropriated to the game
16 and fish commission. The game and fish commission, through the
17 construction management section of the department of
18 administration and information, shall only expend these funds
19 for capital construction, modification and renovation of the
20 game and fish regional office property in Laramie as approved
21 by the game and fish commission. Any lease payments generated
22 from the rental of the forensic laboratory are hereby
23 appropriated to the game and fish commission. The lease

1 payments and up to one million dollars (\$1,000,000.00) of game
2 and fish funds are authorized to be used for design, capital
3 construction, modification and renovation of the game and fish
4 regional office in Laramie.

5

6 [FORESTRY INITIATIVE]

7

8 **Section 352.** There is appropriated from the emergency
9 fire suppression account created by W.S. 36-1-402(a) up to
10 seven hundred five thousand dollars (\$705,000.00) to the
11 governor's office for the purposes of implementing the
12 recommendations on the governor's task force on forests. One
13 (1) time-limited full-time employee, serving as a partnership
14 and outreach coordinator, is authorized to assist in
15 implementing the recommendations. Notwithstanding any other
16 provision of law, this appropriation shall not be transferred
17 or expended for any other purpose and any unexpended,
18 unobligated funds remaining from this appropriation shall
19 revert as provided by law on June 30, 2016. The position and
20 the appropriation within this section shall be considered one-
21 time funding and shall not be included in any agency's 2017-
22 2018 standard budget request.

23

1 [LIMITATION ON SALARY INCREASES]

2

3 Section 353.

4

5 (a) No funds appropriated in this act or 2014 Wyoming
6 Session Laws, Chapter 26 shall be used to increase budgeted
7 salaries of authorized state employees other than for:

8

9 (i) Appropriations by the legislature for the
10 explicit purpose of compensation increases;

11

12 (ii) Personnel transfers between programs or
13 agencies as authorized by law; or

14

15 (iii) Reclassification of authorized positions as
16 approved by the governor.

17

18 (b) The governor shall report quarterly to the joint
19 appropriations interim committee on the exercise of the
20 authority under paragraph (a) (iii) of this section.

21

22 (c) The office of the attorney general is exempt from
23 this section.
