Chapter No.: 48

Prime Sponsor: Petroff

Catch Title: Brewery and microbrewery licenses-definition.

Subject: Revises the amount of malt beverage that can be brewed by a microbrewery.

Summary/Major Elements:

- Under existing law, a microbrewery was limited to production of less than 15,000 barrels of malt beverage per year and any amount above that required licensure as a brewery.
- This bill increases the maximum production of a microbrewery to less than 50,000 barrels of malt beverage per year, and any amount above that would require licensure as a brewery.

The above summary is not an official publication of the Wyoming Legislature and is not an official statement of legislative intent. While the Legislative Service Office endeavored to provide accurate information in this summary, it should not be relied upon as a comprehensive abstract of the bill.
