LSO No.: 15LSO-0256

Enrolled Act No.: SEA 58

Chapter No.: 137

Prime Sponsor: Christensen

Catch Title: Selling to junk dealers-ID required.

Subject: Information required to be recorded for each transaction

Summary/Major Elements:

- Under current law, a person in the business of buying or selling second hand metals, rubber or waste paper (“junk dealers”) is required to record certain information for each transaction.
- This bill updates the method of recording the required information to allow for the information to be recorded in a computer program instead of just in a book.
- This bill amends what information is required to be recorded for each transaction as follows:
 - An accurate account and description of all junk metal or rubber goods purchased or sold;
 - The name and residence of the person selling or buying the junk metal or rubber goods; and
 - If the person is selling junk metal or rubber goods:
 - The license plate number of the person’s vehicle; or
 - Verification of the person’s name and residence through presentation of the person’s United States federal or state-issued photo identification.
- The bill provides compliance with the requirements to either record the license plate number of the person’s vehicle or verify the person’s name and residence through presentation of photo identification is optional for common household and personal items of less than \$50.00 market value.
