Catch Title: Child support enforcement amendments.

Subject: Child support notices, penalties and orders.

Summary/Major Elements:

- Under current law, certain parties are entitled to notice upon admission of a decedent's will to probate or issuance of letters of administration in an intestate decedent's estate.
- This bill requires notice to the Department of Family Services if the decedent or any heir at law of the decedent, if known, is the obligor on a child support order being enforced by the Department.
- Under current law, the Department of Family Services may have a person's driver's license suspended without a court order if that person owes more than \$5,000 in unpaid child support and has not made a payment for a period of at least 90 days.
- This bill decreases that amount and allows the Department of Family Services to have a person's driver's license suspended without a court order if that person owes more than \$2,500 in unpaid child support and has not made a payment for at least 90 days.
- In addition, this bill specifies a court finding of physical placement of a child in a child support order shall not be considered a disposition of custody under this section.
