"6. Of this other funds appropriation, seven hundred fifty thousand dollars (\$750,000.00)T5 shall only be expended for consultants in order to facilitate the evaluation of remedies outlined in 2016 Senate File 91. Any consulting contract shall be subject to the approval of the governor after consultation with the select committee created by 2016 Senate File 91.

7. No funds for repairs or other construction shall be expended from this appropriation unless the governor has first consulted with the select committee created by 2016 Senate File 91, if enacted into law, and in all events the governor has determined:

(a) That the expenditure will cause a significant portion of the existing facilities to remain useful for a significant life cycle that warrants the expenditure;

(b) That if it is determined that replacement of portions of the facility that are damaged due to construction defects should be undertaken, the expenditure of these funds, without additional funding, is warranted; and

(c) That repair or replacement of the facility with these funds cannot be delayed until the select committee has completed its work under Senate File 91, as enacted into law."
