3 "(iv) In addition to any other restrictions, the funds
4 appropriated under subparagraphs (b)(i)(C) and (b)(i)(H) of this
5 section shall not be expended for level III planning and design
6 without the approval of the state building commission, subject
7 to the following:

8
9 (A) The total expected cost of the facilities
10 proceeding to level III planning and design shall provide for
11 phases so that a phase may be completed within the funds already
12 appropriated for that purpose; and

13
14 (B) The completed phase will help alleviate operating
15 problems even if the state is unable to construct additional
16 phases or other facilities for an extended period due to lack of
17 resources.". SCOTT
