"Section 3.

(a) From the appropriation of school foundation program account funds by 2016 Senate File 0001, Section 2, Section 205, Court Ordered Placements, the department of education may expend up to two million dollars (\$2,000,000.00) for the payment of allowable educational costs pursuant to W.S. 21-13-336. If the department of education determines at any point in the 2017-2018 fiscal biennium that this amount will be insufficient to pay all such allowable education costs, the department shall from that point forward reduce payments to all qualifying psychiatric residential treatment facilities for the allowable educational costs. The reductions shall be made pro rata based upon the amount of payments to each qualifying facility from the point of determining a shortfall exists.

(b) In preparing its 2019-2020 standard budget request, the department of education shall create a new unit to properly account for appropriations and expenditures related to the payment of allowable educational costs for students placed in psychiatric residential treatment centers pursuant to W.S. 21-13-336.

Section 4. There is appropriated ten thousand dollars (\$10,000.00) from the school foundation program account to the department of education. This appropriation shall be for the period beginning with the effective date of this act and ending June 30, 2018. This appropriation shall only be expended for the purpose of payment of mileage and per diem pursuant to W.S. 9-3-102 and W.S. 9-3-103 associated with the travel necessary to certify psychiatric residential treatment facilities as required under W.S. 21-13-336 as created by this act. Notwithstanding any other provision of law, this appropriation shall not be transferred or expended for any other purpose and any unexpended, unobligated funds remaining from this appropriation

1 shall revert as provided by law on June 30, 2018. This
2 appropriation shall not be included in the department of
3 education's 2019-2020 standard biennial budget request."
