1. From these general fund appropriations and any reversions in section 303(j) of this act, the director of the department of health may expend up to five million six hundred twenty-seven thousand four hundred fifteen dollars (\$5,627,415.00) from any general fund savings identified by the department and certified by the governor for purposes of the state match for development or enhancement of a certified automated Medicaid claims processing technology system and related systems.

2. From these general fund appropriations and any reversions in section 303(k) of this act, the director of the department of health may expend up to one million dollars (\$1,000,000.00) from any general fund savings identified by the department and certified by the governor for purposes of the state match for build-out of a multi-payer, statewide health information exchange.

3. In consultation with the department of insurance and the administrator of the employees' and officials' group insurance plan within the department of administration and information, the department of health shall study state-administered health insurance options for individuals and businesses within Wyoming and any potential cost savings to the state of Wyoming from implementation of various options. The department of health shall summarize the current health insurance market in Wyoming, including provider and plan types. The department shall submit a preliminary report summarizing the findings of the study not later than July 15, 2016 to the joint appropriations committee and a final report to the joint appropriations committee and the legislature not later than November 15, 2016 for consideration as potential legislative action during the 2017 legislative session. 4. (a) From these general fund appropriations and any reversions in section 303(n) of this act, the director of the department of health may expend up to four hundred forty thousand dollars (\$440,000.00) from any general fund savings identified by the department and certified by the governor for purposes of establishing or joining a multi-payer claims database pursuant to subsection (b) of this footnote. Funds shall only be expended if the department makes the information in the claims database established or joined pursuant to this footnote available to the public. The information made publicly available shall not disclose personally identifiable information but shall include statistical information related to health care costs in the state. The department may provide in-kind services for data collection and analysis in lieu of monetary contributions to a multi-payer claims database provider.

(b) In consultation with the department of insurance and the administrator of the employees' and officials' group insurance plan within the department of administration and information, the department of health shall study and, if determined appropriate, join or develop a volunteer multi-payer claims database. The study shall consider only the inclusion of information from the employees' and officials' group insurance plan, Medicaid, and any other health insurance program that receives contributions from state funding sources. The department of health shall report its findings to the joint appropriations committee not later than October 1, 2016.

5. The public health laboratory is authorized to charge fees for testing services provided to other state agencies, local law enforcement entities and other individuals or organizations. The department is authorized to deposit all fees received pursuant to this footnote into a special revenue account. The department shall not charge fees until it has promulgated rules establishing a fee schedule. Fees shall be set in an amount sufficient to recoup the department's cost of providing services. No monies deposited into this account shall be expended until appropriated by the legislature. The public health laboratory shall make its personnel available for driving under the influence trials. If 2016 Senate File 0101 is enacted into law, this footnote is repealed.

6. As allowed by W.S. 9-4-303(a), the department is authorized to deposit all monies and income received and collected by the Wyoming state hospital at Evanston into a special revenue account from July 1, 2016 through June 30, 2018. The department shall expend this revenue to correct life safety code problems, pay for the cost of emergency detentions pursuant to W.S. 25-10-109, pay for the costs of involuntary hospitalizations pursuant to W.S. 25-10-110, and remediate conditions as identified in the Chris S. Stipulated Settlement Agreement by the division of behavioral health, approved by the Wyoming department of health director and reported to the governor. If any single capital project is anticipated to exceed two hundred thousand dollars (\$200,000.00), it shall be approved by the state building commission. The department shall report to the joint appropriations committee not later than November 1 of each year detailing expenditures under this footnote.

7. As allowed by W.S. 9-4-303(a), for the period beginning July 1, 2016 and ending June 30, 2018, the department is authorized to deposit all monies and income

8. The department shall provide all assistance requested to the joint subcommittee to review title 25 issues to facilitate the joint subcommittee's review of issues concerning title 25, payment options and billings in addition to those payment options provided by W.S. 25-10-112 for persons involuntarily committed in the state. The joint subcommittee shall submit a report containing recommendations for payment options and billings under title 25 to the joint labor, health and social services interim committee for consideration as potential legislative action during the 2017 legislative session.

9. Of this general fund appropriation, nine hundred thousand dollars (\$900,000.00), and of the federal funds appropriation, nine hundred thousand dollars (\$900,000.00), shall only be expended to fund Medicaid waiver rate rebasing. These funds shall be allocated and expended consistent with community integration transition plans approved by the department.

10. Of this general fund appropriation, six hundred seventy-five thousand dollars (\$675,000.00) shall be expended to fund an external cost adjustment within the preschool services unit.

1. Of this general fund appropriation, five million dollars (\$5,000,000.00) shall not be included in the agency's 2019-2020 standard budget request.

2. Of this general fund appropriation, ten million dollars (\$10,000,000.00) shall only be expended for a comprehensive management reporting and fiscal control computer information system.

3. Upon application of the university board of trustees, the state loan and investment board may loan funds to the University of Wyoming for the purpose of acquiring a replacement research aircraft for the department of atmospheric science within the college of engineering and applied science. The loan interest rate shall not exceed three percent (3%) and the loan shall otherwise be in accordance with the provisions of W.S. 16-1-109. The aircraft shall be treated as a "facility" for purposes of the loan. The university shall develop a financial plan for repayment of the loan to cover the cost of servicing the loan over the expected life of the aircraft and to cover the cost of distributions to the reserve fund as specified in footnote 4 of this section. The university shall provide a report on this plan to the joint appropriations committee within thirty (30) days after the loan is executed.

4. For the use of the university aircraft, the university shall identify and distribute amounts to a reserve fund to cover the cost for routine and planned maintenance, engine replacement and propeller replacement. To the extent funds are available after servicing the loan provided for in footnote 3 of this section, additional amounts to support funding of replacement of the research aircraft shall be included in any contract for use of the aircraft to the extent practicable. Amounts received to support replacement of the aircraft shall be held in the reserve fund. Proceeds from the sale of the research aircraft, engine or any related research instrumentation shall be credited to the reserve fund.

5. (a) Of this general fund appropriation, eight million dollars (\$8,000,000.00) shall only be expended for the purpose of providing a state match for funds received by the university from athletic booster organizations or individuals donating funds to be used solely for athletic programs. This appropriation shall be retained by the state treasurer for distribution in accordance with the provisions of this footnote and only be expended for the purposes of:

(i) Authorized recruitment of prospective student athletes to the university and expenses associated with participation in intercollegiate athletics including summer school attendance, nutrition, tutoring, team travel and costs directly related to participation in competition;

(ii) Athletic training equipment.

(b) None of these funds shall be used for salaries or capital construction projects.

(c) To the extent funds are available from this appropriation, on a quarterly basis the state treasurer shall match each cash or cash equivalent contribution actually received by the University of Wyoming for the purposes specified in this footnote for the period July 1, 2016 through June 30, 2018 by distributing to the university an amount equal to the amount of qualifying contributions for the quarter.

(d) Notwithstanding any other provision of law, this appropriation shall not be transferred or expended for any other purpose not specified in this footnote and any unexpended, unobligated funds remaining from this appropriation shall revert as provided by law on June 30, 2018.

6. Not later than November 1, 2016, the University of Wyoming school of energy resources shall report to the joint appropriations committee and the joint minerals, business and economic development interim committee on the research efforts and funding expended to advance powder river basin coal viability in consideration of federal regulations aimed at reducing carbon emissions. The report shall identify research and potential technologies which may maintain or increase revenues to the state from the production of coal.

7. Of this general fund appropriation, ten million three hundred fifty thousand dollars (\$10,350,000.00) shall only be expended for the endowment challenge fund program as provided in W.S. 21-16-901 through 21-16-904 and only for matching funds for entrepreneurship, water management for the future, and school of energy resources or college of engineering and applied science initiatives. **[This appropriation shall not be included in the university's 2019-2020 standard budget request.] [BRACKETED LANGUAGE SHOWN IN BOLD VETOED BY GOVERNOR MARCH 3, 2016 - SENATE AND HOUSE VETO OVERRIDE MARCH 4, 2016.]**

8. Of this general fund appropriation, one million one hundred fifty thousand dollars (\$1,150,000.00) shall be deposited to an account which shall be held by the state treasurer for distribution to the University of Wyoming for any university initiative with a total cost of less than two hundred thousand dollars (\$200,000.00). All funds restricted by this footnote shall only be available for expenditure to the extent cash or cash equivalent contributions are actually received by the University of Wyoming for qualifying purposes under this footnote. The treasurer on a quarterly basis shall match reported donations by distributing to the university an amount equal to the amount of contributions for the quarter. Any funds not expended pursuant to this footnote may be added to the funds restricted by footnote 7 of this section. **[This appropriation shall not be included in the university's 2019-2020 standard budget request.] [BRACKETED LANGUAGE SHOWN IN BOLD VETOED BY GOVERNOR MARCH 3, 2016 - SENATE AND HOUSE VETO OVERRIDE MARCH 4, 2016.]**

1. Funds appropriated for 100 series personal services for section 167 may be transferred and expended for contract services for instructors, physicians and other health care providers for the University of Wyoming family practice residency and WWAMI medical education programs. The University of Wyoming shall report any transfers and expenditures pursuant to this footnote in accordance with section 308 of this act.

2. Of this other funds appropriation, up to two hundred thousand dollars (\$200,000.00)SR may be expended to contract for a comprehensive review of the state medical residency programs including the services provided; past, present and future revenue streams; alternative service delivery options; and alternative organizational structures. The University of Wyoming shall contract with a nonstate entity to conduct the review only in the event that the director of the department of health provides written notice to the university and the joint appropriations committee that the department cannot complete such a review without expenditure of these funds. The findings of the review shall be reported to the joint appropriations committee and the joint labor, health and social services interim committee by the department of health, or if review is conducted by a nonstate entity, by the University of Wyoming, not later than October 1, 2016.

[3. For the period beginning July 1, 2016 and ending June 30, 2018, up to one million three hundred ten thousand one hundred eighty dollars (\$1,310,180.00)SR in payments made by current WWAMI students shall not be deposited in an endowment fund under W.S. 21-17-109(e) but shall be directed to the University of Wyoming for support of the WWAMI medical education curriculum, including compensation for part-time positions. If 2016 House Bill 0085 is enacted into law, this footnote is repealed.] [BRACKETED LANGUAGE SHOWN IN BOLD VETOED BY GOVERNOR MARCH 3, 2016 - SENATE AND HOUSE VETO OVERRIDE MARCH 4, 2016.]

1. In preparing the 2019-2020 standard budget request, the department shall create a new, separate unit to properly account for appropriations and expenditures related to a statewide system of support for schools. In the development of this unit, the department shall decrease unit 1228 by one hundred thousand dollars (\$100,000.00), unit 1231 by seven hundred thousand dollars (\$700,000.00) and unit 1252 by two hundred thousand dollars (\$200,000.00). The amount of any decreases in the units identified shall comprise the total amount of the standard budget for the newly created unit under this footnote.
 2. No funds shall be expended from this appropriation for purposes of special education hearings, mediation or use of external legal counsel without prior approval of the attorney general.
 3. No federal funds from this appropriation shall be expended to implement a youth risk behavior survey.
 4. Of this other funds appropriation, one hundred thirty-five thousand nine hundred twenty-five dollars (\$135,925.00) shall only be expended for the state board coordinator position for the period beginning July 1, 2016 through June 30, 2017. The position shall not be authorized after June 30, 2017 without further appropriation by the legislature. Not later than September 1, 2016, the state board shall submit a report to the joint education interim committee on the governance structure of the board and the necessity of the coordinator position.
 - ~~5. The department shall not expend any general funds appropriated under this section on anti-bullying programs.~~ [BRACKETED LANGUAGE SHOWN IN BOLD AND AS STRICKEN WAS VETOED BY GOVERNOR MARCH 3, 2016.]
 6. Of this general fund appropriation, an amount not to exceed twenty thousand dollars (\$20,000.00) shall only be used for in-state and out-of-state travel expenses for the K-3 Reading Assessment program.
 7. Of this general funds appropriation, ninety-four thousand five hundred eighty-five dollars (\$94,585.00) shall only be effective for the period beginning July 1, 2016 and ending June 30, 2017 for purposes of compensation for one (1) education program consultant as maintenance of effort for federal awards.

(i) Notwithstanding W.S. 21-15-122(a)(ii), any unappropriated, unexpended, unobligated funds within the school capital construction account shall be continuously deposited into the permanent land fund holding account from the effective date of this subsection through June 30, 2018;

(ii) To the extent funds are available, an amount necessary to restore the balance within the school foundation program account to one hundred million dollars (\$100,000,000.00) on June 30, 2018, shall be transferred from the permanent land fund holding account into the school foundation program account.

(j) Notwithstanding W.S. 9-2-1008, 9-2-1012(e), 9-4-207 and 2014 Wyoming Session Laws, Chapter 26, Section 300(k) of the unobligated monies appropriated from the school capital construction account to the school facilities commission under 2010 Wyoming Session Laws, Chapter 39, Section 333, seven hundred fifty thousand dollars (\$750,000.00), or as much thereof as is available, are hereby reverted to the public school capital construction account. This subsection is effective immediately.

[BORROWING AUTHORITY - CASH FLOW]

Section 301.

(a) The state auditor is authorized to borrow from pooled fund investments in the treasurer's office amounts necessary to assist the state's general fund cash flow. The amounts borrowed shall be repaid when sufficient general fund revenue is available. The auditor shall borrow funds under this section only to assist the month-to-month cash flow of the general fund and shall not borrow funds under this section when total appropriations together with outstanding encumbrances and obligations for the biennium exceed projected revenues, including transfers from the budget reserve account as authorized by the legislature, for the biennium.

(b) The state auditor is authorized to borrow from pooled fund investments in the treasurer's office an amount not to exceed one hundred million dollars (\$100,000,000.00), if necessary, for the purpose of assisting the department of transportation's cash flow. The amounts borrowed under this subsection shall be repaid when sufficient revenue is available. Interest on the unpaid balance shall be the interest rate earned on pooled fund investments in the previous fiscal year.

[FLEX - EXECUTIVE]

Section 306.

(a) Notwithstanding W.S. 9-2-1005(a) and (c), the governor is authorized to transfer:

(i) Between programs within any executive branch agency, excluding the University of Wyoming, ten percent (10%) of the total appropriation for the agency;

(ii) Between executive branch agencies, excluding the University of Wyoming, five percent (5%) of the total appropriation for the agency from which the funds are transferred;

(iii) Between programs within any executive branch agency, or between executive branch agencies, legislatively authorized full-time or part-time positions. University of Wyoming positions are excluded from this paragraph.

(b) All transfers authorized under this section shall be approved by the governor and reported to the joint appropriations committee through the B-11 process as authorized by W.S. 9-2-1005(b)(ii) and reported pursuant to W.S. 9-2-1013(b).

(c) The authority granted under this section is effective for the period beginning July 1, 2016 and ending June 30, 2018.

(d) Any provision of this act or any other legislation enacted which specifies that an appropriation shall not be transferred or expended for any other purpose, or containing language of like effect, or specifying a position within an agency shall prevail over this section and no such funds so appropriated or positions so specified shall be subject to subsection (a) of this section.

[FLEX - JUDICIARY]

Section 307.

(a) Except as otherwise provided in this section, the supreme court may transfer up to five percent (5%) of the total general fund appropriation between programs within the supreme court. one (1) or more other district courts. Authority pursuant to this section includes transfers of associated legislatively authorized full-time or part-time positions and shall be effective for the period commencing July 1, 2016 and ending June 30, 2018. Any transfers pursuant to this section shall be reported annually to the joint appropriations committee. The report shall specify the appropriations and authorized positions transferred including transfers between expenditure series, programs and courts.

(b) Any provision of this act or any other legislation enacted which specifies that an appropriation shall not be transferred or expended for any other purpose, or containing language of like effect, shall prevail over this section and no such funds so appropriated shall be subject to subsection (a) of this section.

[PERSONAL SERVICES TRANSFERS]

Section 308.

(a) Notwithstanding any other provision of this act, other than section 2, section 045, footnote 3 and section 323 of this act, nonfederal fund appropriations for 100 series personal services contained in this act shall not be transferred to any other series or expended for any purpose other than personal services. Further, notwithstanding W.S. 9-2-1005(b)(ii) or any other provision of this act, nonfederal fund appropriations for 900 series contractual services contained in this act shall not be transferred to the 100 series personal services, except as authorized in Section 323 of this act. The department of health, the department of corrections, the University of Wyoming family practice residency and WWAMI medical education programs are exempt from this subsection. The judicial branch is exempt from this subsection for transfers in a total amount not to exceed four hundred thousand dollars (\$400,000.00).

(b) The department of health and the University of Wyoming shall report quarterly to the joint appropriations committee and the joint labor, health and social services interim committee regarding the department's and the university's respective exercise of authority under subsection (a) of this section and shall include in the reports the specific uses and dollar amounts for each exception. The department of corrections and the judicial branch shall report to the joint appropriations committee in the same manner described in this subsection, as well as provide the joint appropriations committee a cumulative report not later than December 1, 2016 and December 1, 2017 on all transfers by program, unit, and expenditure series made by the exercise of authority granted in this section.

~~[[BUDGET REDUCTION AUTHORITY - REVENUE SHORTFALL]]~~

Section 310.

(a) The governor shall periodically review agency budgets and expenditures. If the governor determines during the review that the probable receipts from taxes or other sources of revenue for any fund or account will be less than were anticipated, and if the governor determines that these receipts plus existing revenues in the fund or account, which are available will be less than the amount appropriated, the governor, after reviewing the budget, shall give notice to the state agencies concerned and reduce the amount appropriated to prevent a deficit. This section shall apply to all appropriations in this act regardless of whether the appropriation is for a specified project or purpose, including but not limited to capital construction projects. This section shall apply whether the appropriation is to be expended directly by an agency or is made to an agency for distribution to another entity. As used in this section "agency" includes an authority, board, commission, council, department, institution, instrumentality, office and other separate operating agency or unit of the executive and judicial department of state government and includes the University of Wyoming and each community college. Any reductions made pursuant to this section shall be reported through the B-11 process as authorized by W.S. 9-2-1005(b)(ii) and reported pursuant to W.S. 9-2-1013(b).

five percent (5%) reduction of the agency's general fund standard budget. The reduction shall be calculated using the 2017-2018 general fund standard budget as submitted by the governor as the base amount, except as provided in subsection (b) of this section. Subject to subsection (b), the reductions shall be planned to be phased in through the 2019-2020 fiscal biennium, such that the reduction for the fiscal year commencing July 1, 2018 is not less than three and one-half percent (3.5%) of the 2017-2018 general fund standard budget as submitted by the governor divided by two (2), and the reduction for the fiscal year commencing July 1, 2019 is not less than five percent (5%) of the 2017-2018 general fund standard budget as submitted by the governor divided by two (2). The planned reductions shall include a prioritization by the agency should general fund appropriations be reduced in the amount and over the period specified in this subsection.

(b) Funds appropriated to an agency by an enactment in the 2016 budget session, which were in addition to the agency's 2017-2018 general fund standard budget, shall be included in determining the base amount and shall be subject to the full five percent (5%) reduction. If an agency received general funds as a result of the governor's exercise of authority under section 323 of this act, that amount of funds shall be added to the agency's 2017-2018 general fund standard budget for purposes of calculating the reduction.

(c) Each agency's plan and prioritization shall be forwarded to the legislature with the governor's supplemental budget request for consideration in the 2017 general and the 2018 budget sessions. The agency plans submitted for consideration in the 2017 general session shall include budget reductions commensurate with the most recent state revenue forecast released by the consensus revenue estimating group.

(d) Nothing in this section shall apply to the judicial branch.

[SEQUESTERED COAL LEASE BONUS PAYMENTS]

Section 331. Notwithstanding W.S. 9-4-601(b), the final payment of all congressionally sequestered monies received by the state from July 1, 2017 through June 30, 2018, from all bonus payments received from federal mineral leases subject to the act of congress of February 25, 1920 (41 Stat. 437, 450; 30 U.S.C. §§ 181, 191), as amended, shall be deposited in the school capital construction account created by W.S. 21-15-111(a)(i).
