

Bill No.: HB0010

Effective: 7/1/2016

LSO No.: 16LSO-0073

Enrolled Act No.: HEA0001

Chapter No.: 14

Prime Sponsor: Joint Minerals, Business & Economic Development Interim Committee

Catch Title: Clean water revolving fund amendments.

Subject: State Water Pollution Control Revolving Loan Account

Summary/Major Elements:

- This Act expands the types of projects that are authorized to receive loans from the State Water Pollution Control Revolving Loan Account to include all projects authorized under Title VI of the Federal Water Pollution Control Act in addition to wastewater treatment works and nonpoint source pollution control management systems.
- Modifies the amortization schedule for loans issued from the account to the lesser of the useful life of the project or thirty years after completion of the project.
- Allows the State Loan and Investment Board to impose an administrative fee of one percent (1%) of the total amount of loans issued from the account.
- Specifies that principal payments on loans made to the Department of Environmental Quality for solid waste landfill remediation shall be paid from the Corrective Action Account to the State Water Pollution Control Revolving Loan Account.
