

Bill No.: SF0031 **Effective:** 3/4/2016

LSO No.: 16LSO-0254

Enrolled Act No.: SEA No. 0027

Chapter No.: 38

Prime Sponsor: Select Water Committee

Catch Title: Omnibus water bill-planning.

Subject: Provides authorization and funding for water development projects approved for study and planning

Summary/Major Elements:

- This act authorizes specified reconnaissance (Level I) and feasibility (Level II) studies for water development projects.
- This act provides funding to contract with the University of Wyoming for the office of water programs.
- This act provides if the funds are not expended or transferred to another project at the same level, funds appropriated for Level I and II studies revert to the water development accounts on July 1, 2019.
- This act requires reports to the Legislature.

Comments:

- See also the companion water bill, HB 41, Omnibus water bill-construction.
- The Water Development Commission shall provide a report on each of the reconnaissance and feasibility studies to the legislature prior to the 2018 legislative session.

The above summary is not an official publication of the Wyoming Legislature and is not an official statement of legislative intent. While the Legislative Service Office endeavored to provide accurate information in this summary, it should not be relied upon as a comprehensive abstract of the bill.
