

Page 3-line 2 Delete "child delivered by a"; after  
"miscarriage" insert "or produced by any  
medical procedure following a miscarriage,".

Page 3-after line 3 Insert:

"(iii) The use or transfer of tissue or cells from an  
aborted child, embryo or fetus for medical examination and  
testing to:

(A) Identify, confirm or deny any medical  
condition which lead to or influenced the decision to terminate  
the pregnancy;

(B) Obtain information relating to future  
medical treatment or counseling of parents, siblings or other  
blood relatives of the aborted child, embryo or fetus; or

(C) Comply with hospital quality control  
regulations." SCOTT, MEIER, NETHERCOTT
