

HB0182H3002

1	Page 2-line 16	After "community." insert "The physician
2		performing the abortion on the patient, the
3		referring physician or a qualified person
4		assisting the physician shall, orally and in
5		person inform the patient about the risks of
6		complications of pregnancy and rates of
7		maternal death in the United States."
8		CONNOLLY, GIERAU
