10
11 Page 2-lines 12 through 16 Delete and insert:
12
13 "(x) "Land used for a farmstead structure" means land that
14 underlies and that supports the use of a barn, shop, shed,
15 granary, corral or other structure if the structure:
16
17 (A) Is used to support an agricultural purpose
18 specified in subparagraphs (viii)(A) through (C) of this
19 subsection;
20
21 (B) Is not a structure built for human habitation or
22 actually used for human habitation;
23
24 (C) Is not attached to a structure built for human
25 habitation or actually used for human habitation; and
26
27 (D) Is built upon land used for the agricultural
28 purpose supported by the structure."
