"(m) In determining the amount to be included in the foundation program for each district, the state superintendent shall:

(v) Based upon ADM computations and identified school configurations within each district pursuant to paragraph (iv) of this subsection, compute the foundation program amount for each district as prescribed by the education resource block grant model adopted by the Wyoming legislature as defined under W.S. 21-13-101(a)(xiv), as contained within the spreadsheets and accompanying reports referenced under W.S. 21-13-101(a)(xvii), on file with the secretary of state and maintained by the state superintendent pursuant to W.S. 21-2-202(e). The following criteria shall be used by the state superintendent in the administration of the education resource block grant model:

(H) For school year 2018-2019 only, the amount within the block grant model for core teachers and specialist teachers as defined in "Attachment A" shall be reduced based upon the actual number of core and specialist teachers employed by the school district in school year 2016-2017 so that no district shall receive funding for more core and specialist teachers than were actually employed by the district in the 2016-2017 school year. This subparagraph shall not apply to minimum teachers or any calculation for alternative schools or small schools." COE, SCOTT, LANDEN, DOCKSTADER, DRISKILL
