

ENROLLED ACT NO. 20, SENATE

SIXTY-FOURTH LEGISLATURE OF THE STATE OF WYOMING
2017 GENERAL SESSION

AN ACT relating to the administration of government; amending provisions related to the department of enterprise technology; requiring application to the federal universal service fund and requiring deposit of funds received in the school foundation account; providing conditions for replacement of computers under the state chief information officer's computer replacement program; providing conditions and limitations on a state government unified telecommunications network; and providing for an effective date.

Be It Enacted by the Legislature of the State of Wyoming:

Section 1. W.S. 9-2-2906(d) by creating a paragraph (v), (e) by creating a paragraph (v) and (n) is amended to read:

9-2-2906. Office of the state chief information officer and director; authority; duties of department.

(d) The department shall carry out the following oversight and approval functions:

(v) All computer purchases made via the chief information officer's state technology replacement program shall be made in accordance with the provisions of this subsection, using standardized pricing established by the program. All funds appropriated for computer acquisition shall be restricted and not expended for any other purpose.

(e) The department shall provide the following services:

(v) The department shall annually apply to the universal service administrative company under the federal communications commission for amounts available to the state under the schools and libraries program of the universal service fund. All federal funds received by the state from the schools and libraries program of the universal service fund shall be deposited into the school foundation program account.

(n) Nothing in this article shall be construed to authorize the department or the director to regulate or otherwise have any jurisdiction or authority over nongovernmental providers of telecommunications services or broadband services. Nothing in this article shall be construed to authorize the department or the state to be a telecommunications services provider to the private sector. To the extent a network is developed and implemented under subsection (g) of this section to provide telecommunications transport services for state government and higher education, rather than purchasing facilities or providing its own communications services for the creation and operation of the unified network, the state of Wyoming shall purchase services from commercial communications carriers to the fullest extent reasonably feasible. Such a network is limited to use only by:

(i) The executive, legislative and judicial branches of Wyoming state government, including the University of Wyoming and community colleges. In relation to use of this network, "Wyoming state government" does not include local government, cities, towns, counties, hospitals, joint powers boards, special districts or other local governmental entities; and
