

Bill No.: HB0058 **Effective:** Immediately

LSO No.: 17LSO-0147

Enrolled Act No.: HEA No. 0124

Chapter No.: 200

Prime Sponsor: Joint Appropriations Committee

Catch Title: School facilities appropriations.

Subject: School facilities appropriations.

Summary/Major Elements:

- This bill provides supplemental funding for the biennial budget for school facilities projects. The bill appropriates \$78,694,096 from the School Capital Construction Account for capital construction, component level projects, planning projects, land leases, unanticipated costs, charter school leases, demolition projects and emergency projects. Of the \$78,694,096 appropriation, \$78,324,078 is transferred from the Legislative Stabilization Reserve Account to cover the expenditure.
- The School Facilities Commission is required to recommend and seek approval from the Governor prior to spending funds appropriated for component level projects or construction of a project or projects to address capacity and condition needs.
- The bill requires the study of the allocation of funds for major maintenance under W.S. 21-15-109(c). The expenditure for this study will be made from existing funds appropriated in the 2016 Budget Session to the School Facilities Division of the State Construction Department

Comments:

- Requires reports by the School Facilities Commission to the Joint Appropriations Committee and the Select Committee on School Facilities by August 1, 2017.

The above summary is not an official publication of the Wyoming Legislature and is not an official statement of legislative intent. While the Legislative Service Office endeavored to provide accurate information in this summary, it should not be relied upon as a comprehensive abstract of the bill.
