Catch Title: Improvement and service districts-services.

Subject: Providing a process for improvement and service districts to provide new improvements and services.

Summary/Major Elements:

- This bill establishes a method for an improvement and service district to acquire new improvements and facilities or to provide a new service if the new improvement or service was not described in the district's initial formation petition.
- Any new improvement or service must be approved by the board of county commissioners of the county in which the district is located. If approved by the commissioners, the district must submit the question of whether to acquire or provide the new improvement or service to the qualified electors of the district in a special election, where it must be approved by a majority.
