Catch Title: Developmental preschool payment calculations-amendments.

Subject: Modifications related to the number of children with developmental disabilities used in calculating developmental preschool payments.

Summary/Major Elements:

- Under existing law, developmental preschool payment calculations are based, in part, on the number of children with developmental disabilities who are eligible for developmental preschool services on or before November 1 of the year in which the Department of Health prepares its budget request.
- Under this bill, the number of children used in this calculation are those who are eligible for developmental preschool services and placed on an individualized education program or individualized family service plan on or before December 1 of the year in which the Department prepares its budget request.

The above summary is not an official publication of the Wyoming Legislature and is not an official statement of legislative intent. While the Legislative Service Office endeavored to provide accurate information in this summary, it should not be relied upon as a comprehensive abstract of the bill.
