

Bill No.: SJ0002 **Effective:** Immediately

LSO No.: 17LSO-0324

Enrolled Act No.: SEJR No. 0001

Chapter No.: [Chapter Number_RO]

Prime Sponsor: Driskill

Catch Title: Federal land wind and solar energy revenue-state share.

Subject: Sharing of rents and fees the federal government receives from wind and solar energy developments on federal land.

Summary/Major Elements:

- Federal law provides for the payment of fifty percent of the royalties and rents the federal government receives from the production of certain fossil fuels and geothermal energy on federal land to the state in which the production occurs.
- This resolution requests Congress to enact legislation providing for the payment of fifty percent of the rents and fees the federal government receives from wind and solar energy developments on federal land to the state in which the developments are located.

The above summary is not an official publication of the Wyoming Legislature and is not an official statement of legislative intent. While the Legislative Service Office endeavored to provide accurate information in this summary, it should not be relied upon as a comprehensive abstract of the bill.
