

Delete the Larsen second reading amendment (SF0043H2001/AE)
entirely and further amend as follows:

Page 6-line 9 After "case." insert "In those instances where necessary consent to donation of organs, tissues or eyes has been provided and an anatomical gift is reasonably possible, the coroner shall complete and sign medical certification in a timely manner to permit preservation of organs, tissues or eyes under W.S. 35-5-221 and 35-5-222.".
