**LSO No.:** 18LSO-0186

**Enrolled Act No.:** HEA No. 0025

**Chapter No.:** 43

**Prime Sponsor:** Joint Travel, Recreation, Wildlife & Cultural Resources Interim Committee

**Catch Title:** Quebec 1 missile alert facility-fees.

**Subject:** Additional admissions fee for the Quebec 1 Missile Alert Facility.

**Summary/Major Elements:**

- The Department of State Parks and Cultural Resources is awaiting an agreement with the federal government to manage, maintain, and operate the Quebec 1 Missile Alert Facility as a state historic site.
- Once the Department assumes management of the missile alert facility, this act authorizes the Department to charge an additional admissions fee that would be deposited into a separate account to be used for development, operations, personnel, and maintenance of the missile alert facility. Any funds remaining in the separate account at the end of each fiscal year may be deposited in the state parks account.

**Comments:**

- This act requires the Department to report on the operations of the missile facility to the Joint Appropriations Committee and the Joint Travel, Recreation, Wildlife and Cultural Resources Interim Committee on or before November 1, 2020. The report must include whether the net proceeds from the admissions fees collected during the previous two (2) years meet the expenses incurred during those years.
