

Bill No.: HB0029 **Effective:** 7/1/2018

LSO No.: 18LSO-0089

Enrolled Act No.: HEA No. 0037

Chapter No.: 69

Prime Sponsor: Joint Education Interim Committee

Catch Title: **Alternative school accountability.**

Subject: Accountability system for alternative schools.

Summary/Major Elements:

- The two-year alternative school accountability pilot project will end at the end of the 2017-2018 school year. This act will codify a separate accountability system for alternative schools created under the pilot project.
- This act would establish four (4) indicators of school level performance for alternative schools: academic achievement and growth, readiness for college and careers, measures of school quality including climate, and measures of engagement including implementation of student success plans.
- This act would require the State Board of Education to establish performance targets for the school level performance indicators and an appropriate statewide system of support for alternative schools.
- The State Board of Education must consult with the Technical Advisory Group, which conducts the alternative school accountability pilot project, when establishing the performance targets and the statewide system of support for the alternative school accountability system.

Comments:

- This act requires the Technical Advisory Group to report to the Joint Education Interim Committee on its final recommendations for an alternative school accountability model by October 1, 2018.
