	<b>FY 2020</b>	<b>FY 2021</b>	<b>FY 2022</b>
<b>NON-ADMINISTRATIVE IMPACT</b>			
Anticipated Expenditure (decrease)			
SPECIAL REVENUE FUND	\$0	(\$14,094)	\$0

Source of expenditure (decrease):

Decreased cost in 2<sup>nd</sup> Notice brand renewal mailings because certified mail would no longer be required.

Assumptions:

Brand renewals take place every odd year and the Wyoming Livestock Board (WLSB) is currently required by statute to send notices through certified mail. The amount paid for the 2<sup>nd</sup> Notice by Certified Mail for 2019 was \$15,876.65. The bill would remove the 2<sup>nd</sup> Notice requirement to use certified mail. The estimate presented in the table above is based on the following assumptions:

- 2021 brand renewals: 5,003
- 2021 2<sup>nd</sup> Notice Regular Mail cost, estimate: \$1,670.00
- 2021 2<sup>nd</sup> Notice Certified Mailing cost, estimate: \$15,764

\$1,674.00 regular mail costs - \$15,764 certified mail costs = (\$14,094) decrease
