

FISCAL NOTE

	FY 2020	FY 2021	FY 2022
NON-ADMINISTRATIVE IMPACT			
Anticipated Expenditure (decrease)			
SCHOOL FOUNDATION PROGRAM ACCOUNT	(\$75,000)	(\$75,000)	(\$75,000)

Source of expenditure (decrease):

The source of the School Foundation Program Account expenditure decrease comes from the estimated decrease in the annual standardized college entrance examination fee without a writing component. According to the Department of Education the change to include science in within the annual standardized college entrance examination has no fiscal impact as it is already included within the assessment.

Assumptions:

The above estimate utilizes information provided by the Department of Education.
