

**FISCAL NOTE**

This bill would repeal several legislative select committees, legislatively created task forces, and the Management Audit Committee. This bill modifies legislative appointments to task forces, councils, and commissions as specified and reporting requirements.

The bill provides that the duties of certain repealed select committees would transfer to current standing committees. The expenditure increases the standing committees may experience is indeterminable.

The fiscal impact, in the form of expenditure decreases, is indeterminable. For reference, the amounts provided in the table below are the approximate expenditures for legislative members in fiscal year 2018 of the affected entities.

| Entity   | Approximate expenditures for legislative members in FY2018 |
|--|--|
| Advanced Conversion Technologies Task Force                        | \$0  |
| Air Transportation Liaison Committee                               | \$7,036  |
| Broadband Advisory Council   | \$3,463  |
| Department of Family Services Advisory Council                     | \$0  |
| Economically Needed Diversity Options for Wyoming (ENDOW)          | \$5,593  |
