(TO ENGROSSED COPY)

Adopt the following Senate amendments:
HB0097SW001/ACE

Delete the following Senate amendments:
HB0097S2001/AE

Further amend the ENGROSSED COPY as follows:

Page 42-line 21 After "(e)(iv) through (vii)," insert
 "99-3-2305(b)(vi), (vii) and by creating
 new paragraphs (viii) and (ix),".

Page 55-after line 11 Insert:

**"99-3-2305. Level III construction projects - dams and
reservoirs.**

(b) Project - West Fork Reservoir:

(vi) Appropriation: There is appropriated from water development account III to the commission four million six hundred ninety-eight thousand dollars (\$4,698,000.00) or as much thereof as is necessary to carry out the purpose of this subsection. This appropriation is a partial appropriation of the total seventy-three million dollars (\$73,000,000.00) required for the project. Additional appropriations and funding sources shall be identified to provide full funding for the project before any bids are let for construction. Unexpended funds appropriated under this subsection shall revert to water development account III on ~~July 1, 2021~~ July 1, 2026;

(vii) Special conditions: Except as provided in paragraph (viii) of this subsection and subject to paragraph (ix) of this subsection, funds from this appropriation shall not be expended until the project sponsor and the Wyoming water development commission have secured additional funding commitments from project beneficiaries in both Wyoming and Colorado on a pro rata basis. Funds from this appropriation shall not be expended until the expenditure is approved by the legislature.

(viii) Special conditions: Notwithstanding paragraph (vii) of this paragraph, funds from this appropriation may be expended for items listed in

subparagraph (v)(A) of this subsection provided that the project beneficiaries provide matching funds at a rate established by the Wyoming water development commission for this project;

(ix) Any federal funds obtained by the project sponsor to be used as matching funds as provided in this section shall only be expended if matched in the ratio of one dollar (\$1.00) of water development account III funds to not less than one dollar (\$1.00) of matching federal funds to be credited toward each state's pro rata share of the project. No more than one million two hundred fifty thousand dollars (\$1,250,000.00) from water development account III shall be expended for matching funds under this paragraph."
