7 "99-3-2305. Level III construction projects - dams and
8 reservoirs.
9

10 (b) Project - West Fork Reservoir:
11

12 (vi) Appropriation: There is appropriated from water
13 development account III to the commission four million six hundred
14 ninety-eight thousand dollars (\$4,698,000.00) or as much thereof
15 as is necessary to carry out the purpose of this subsection. This
16 appropriation is a partial appropriation of the total seventy-
17 three million dollars (\$73,000,000.00) required for the project.
18 Additional appropriations and funding sources shall be identified
19 to provide full funding for the project before any bids are let
20 for construction. Unexpended funds appropriated under this
21 subsection shall revert to water development account III on ~~July~~
22 ~~1, 2021~~ July 1, 2026;
23

24 (vii) Special conditions: Except as provided in
25 paragraph (viii) of this subsection and subject to paragraph (ix)
26 of this subsection, funds from this appropriation shall not be
27 expended until the project sponsor and the Wyoming water
28 development commission have secured additional funding commitments
29 from project beneficiaries in both Wyoming and Colorado on a pro
30 rata basis. Funds from this appropriation shall not be expended
31 until the expenditure is approved by the legislature-;
32

33 (viii) Special conditions: Notwithstanding paragraph
34 (vii) of this paragraph, funds from this appropriation may be
35 expended for items listed in subparagraph (v)(A) of this subsection
36 provided that the project beneficiaries provide matching funds at
37 a rate established by the Wyoming water development commission for
38 this project;
39

40 (ix) Any federal funds obtained by the project sponsor
41 to be used as matching funds as provided in this section shall be
42 credited toward each state's pro rata share of the project.". HICKS
