8 **Section 329.**

9

10 (a) In anticipation of continuing challenges to Wyoming's  
11 revenues, the governor shall work with agency and department  
12 leaders to identify and implement budget reductions equal to one  
13 and one-half percent (1.5%) of each agency's or department's  
14 standard budget for programs supported by the state general fund  
15 during fiscal year 2022. These reductions should consider, but not  
16 be limited to, the following criteria:

17

18 (i) Savings to personnel services (100 series) related  
19 to increasing the span of control and supervision within each  
20 agency or department;

21

22 (ii) Savings related to program and process  
23 efficiencies that may reduce the need for expenditures in support  
24 services (200 series) and contract services (900 series) within  
25 each agency or department;

26

27 (iii) Any other areas that will yield the budget  
28 reduction level specified in this section and that will continue  
29 to allow each agency or department to meet its operational and  
30 programmatic mission.

31

32 (b) Each agency and department shall report its savings  
33 efforts and savings amounts pursuant to this section to the  
34 department of administration and information budget division and  
35 human resources division not later than September 1, 2020. The  
36 department of administration and information shall compile the

1 reports and savings amounts and report to the joint appropriations  
2 committee as part of the governor's supplemental budget submission  
3 not later than November 16, 2020. The report shall include the  
4 program, service and position reductions pursued to meet the  
5 purpose of this section.

6  
7 (c) It is the intent of the legislature during the 2021  
8 general session to implement budget reductions equivalent to one  
9 and one-half percent (1.5%) of each agency's or department's  
10 standard budget for programs supported by the state general fund  
11 if agency savings efforts do not meet the purposes of this section.

12  
13 (d) This section is effective immediately.".
