

## HOUSE BILL NO. HB0057

Underground facilities notification-exemption.

Sponsored by: Representative(s) Laursen, Edwards, Hallinan,  
Simpson, Styvar and Tass and Senator(s)  
Case, Kost and Landen

## A BILL

for

1 AN ACT relating to underground public utility facilities;  
2 exempting specified routine county road maintenance from  
3 the provisions of the Wyoming Underground Facilities  
4 Notification Act; providing for notice as specified;  
5 providing definitions; and providing for an effective date.

6

7 *Be It Enacted by the Legislature of the State of Wyoming:*

8

9       **Section 1.** W.S. 37-12-301(b) by creating new  
10 paragraphs (xv) through (xvii) and by renumbering (xv) as  
11 (xviii), 37-12-302 by creating a new subsection (n) and  
12 37-12-305(h)(ii) and by creating a new subsection (j) are  
13 amended to read:

14

15       **37-12-301. Short title; definitions.**

1

2 (b) As used in this act:

3

4 (xv) "Area of risk" means an area not to exceed  
5 fifty (50) feet from each side of an underground facility  
6 that is located under or near a county road and that:

7

8 (A) Contains hazardous materials that  
9 present an extreme risk to the health and safety of  
10 persons; or

11

12 (B) Is buried at a depth of less than  
13 twenty-four (24) inches.

14

15 (xvi) "County road" means a road that is:

16

17 (A) Established pursuant to W.S. 24-3-101  
18 through 24-3-127, identified pursuant to W.S. 24-3-201  
19 through 24-3-206 or for which the county is responsible for  
20 improvements and maintenance as designated by resolution of  
21 a board of county commissioners;

22

23 (B) Open to the public;

1

2

(C) Depicted on county road maps; and

3

4

(D) Identified with county road signage.

5

6

(xvii) "Routine county road maintenance" means  
the regular grading of a county road for the purpose of  
maintaining the surface condition of the road or a roadside  
drainage ditch, that does not extend more than four (4)  
inches below the surface and does not result in alteration  
of the original grade, width or flow line;

12

13

(xv)(xviii) "This act" means W.S. 37-12-301  
through 37-12-307.

15

16

**37-12-302. Notices; exceptions; penalty.**

17

18

(n) An operator of an underground facility that the  
operator determines to be within an area of risk may  
provide to the county in which the underground facility is  
located written notice that includes a description of the  
underground facility and the specific location of the  
underground facility by map, legal description or other

23

1 reliable method that allows for a current and accurate  
2 means of identifying the geographic location of the  
3 underground facility. Any notice under this subsection  
4 shall be provided:

5  
6 (i) Except as specified in paragraph (ii) of  
7 this subsection, not later than June 1, 2020 and then  
8 January 31 of each year thereafter;

9  
10 (ii) For an operator of a newly installed  
11 underground facility, within sixty (60) days of  
12 installation of the underground facility.

13  
14 **37-12-305. Exemptions.**

15  
16 (h) The following routine maintenance activities in a  
17 government entity's public right-of-way are exempt from the  
18 provisions of this act:

19  
20 (ii) Adding of granular material to unpaved  
21 roads ~~and road shoulders;~~

1       (j) Routine county road maintenance is exempt from  
2       the provisions of this act, provided that the maintenance  
3       is not within an area of risk as specified in a notice  
4       provided under W.S. 37-12-302(n).

5

6           **Section 2.** This act is effective immediately upon  
7 completion of all acts necessary for a bill to become law  
8 as provided by Article 4, Section 8 of the Wyoming  
9 Constitution.
