<b>NON-ADMINISTRATIVE IMPACT</b>			
Anticipated Expenditure increase			
GENERAL FUND	\$3,175	\$3,175	\$3,175

Source of expenditure increase:

The proposed bill requires the Office of State Lands and Investments (OSLI) to provide notice of any proposed lease sale or renewal to each surface owner on which the minerals will be leased.

Assumptions:

OSLI anticipates increased expenditures for processing and mailing notices. OSLI has indicated that they have sufficient funds for the expenditure increase.

The expenditure increase reflected above could be considered an administrative cost. However, for simplicity and to follow consistent practice on legislation of this type, it is included on the fiscal note.
