

FISCAL NOTE

	FY 2021	FY 2022	FY 2023
NON-ADMINISTRATIVE IMPACT			
Anticipated Expenditure (decrease)			
HIGHWAY FUND	(\$650,000)	(\$650,000)	(\$650,000)

Source of expenditure (decrease):

This bill repeals the requirement to have a license plate and validation sticker on the front of a vehicle.

Assumptions:

Currently a set of two license plates and validation stickers are printed for vehicles. This bill would reduce the requirement, which would reduce the materials needed to print the plates and stickers for all counties.
