

Bill No.: HB0038 **Effective:** 7/1/2020 12:00:00 AM
LSO No.: 20LSO-0234
Enrolled Act No.: HEA No. 0092
Chapter No.: 135
Prime Sponsor: Joint Agriculture, State and Public Lands & Water Resources Interim Committee
Catch Title: **Weed and pest amendments.**
Subject: Weed and pest inspections and remediation.

Summary/Major Elements:

- The act revises the procedure for inspection of lands that are suspected to be infested by weeds or pests. The procedure requires notice to the landowner and concurrence by the landowner, if possible. If the landowner denies access, access may be obtained through an administrative inspection warrant obtained from a court having jurisdiction.
- The act also revises the information that is required to be provided if the land is found to be infested including the minimum remedial requirements and the estimated costs of the remediation.
- The act specifies that the costs of the remediation may be shared with the landowner by the weed and pest district board.

The above summary is not an official publication of the Wyoming Legislature and is not an official statement of legislative intent. While the Legislative Service Office endeavored to provide accurate information in this summary, it should not be relied upon as a comprehensive abstract of the bill.
