

Bill No.: SF0105 **Effective:** **Immediately**
LSO No.: 20LSO-0272
Enrolled Act No.: SEA No. 0042
Chapter No.: 129
Prime Sponsor: Kinskey
Catch Title: **Concealed weapons permit renewal-military duty.**
Subject: Renewal of concealed weapons permits by military members and their spouses.

Summary/Major Elements:

- Under current law a concealed weapons permit may be renewed before expiration or within six (6) months after expiration by paying a late fee when renewing. Failure to renew before the end of the extension period results in the permit being permanently expired (meaning all the application requirements for a new permit are applicable). There are special provisions in existing law for active military members to renew without appearing in Wyoming.
- The bill adds to the special provisions by allowing members of the armed forces who are deployed outside of the United States to renew permits anytime during the deployment and for up to six (6) months after returning to the United States following deployment.
- The bill specifies requirements for renewals and, for deployed military members, waives the late fee charged for renewals after a permit expires.
