

FISCAL NOTE

This bill contains an appropriation of \$10,000,000 from the LEGISLATIVE STABILIZATION RESERVE ACCOUNT (LSRA) as of the first day of each fiscal year.

This bill replaces the existing provision for an emergency appropriation to and expenditure by the Governor. In place of an undefined General Fund appropriation to be made by the Legislature, the bill provides for an appropriation each fiscal year from the LSRA for public welfare emergencies.

The bill also modifies provisions governing the acceptance and expenditure of federal funds and provides for legislative input depending on the amount and specified use of the federal funds.
