

**FISCAL NOTE**

This bill contains an appropriation of \$100,000 from the GENERAL FUND to the Legislative Service Office.

The duties and powers of the State Building Commission under W.S. 9-5-109 through 9-5-113 as to the state capitol building and Herschler state office rehabilitation, restoration and renovation project described in W.S. 9-5-112, as transferred from the State Capitol Building Oversight Group by 2019 Wyoming Session Laws, Chapter 197, Section 3, would be assumed by the proposed Wyoming Capitol Square Preservation Council. All appropriations, property, contracts, agreements, obligations and authority of the State Building Commission would be transferred to the proposed Preservation Council.

Any additional fiscal or personnel impact is not determinable due to insufficient time to complete the fiscal note process.
