

FISCAL NOTE

	FY 2022	FY 2023	FY 2024
NON-ADMINISTRATIVE IMPACT			
Anticipated Expenditure increase			
HIGHWAY FUND	\$2,700		

Source of expenditure increase:

This bill requires selective service registration consent via driver's license and identification card applications. The Department of Transportation (Department) identified minor programming needs to update the driver's license application and the system for electronic reporting to the selective service system.

Assumptions:

This expenditure will come from the Highway Fund from the Department's existing budget authority.
