

FISCAL NOTE

	FY 2022	FY 2023	FY 2024
NON-ADMINISTRATIVE IMPACT			
Anticipated Revenue decrease			
SPECIAL REVENUE FUND	(\$650)	(\$650)	(\$650)

Source of revenue decrease:

The bill proposes to amend W.S. 33-1-117(e) to require the Board of Pharmacy (the Board) to not charge a military spouse any fees for a temporary permit.

Assumptions:

The Board has not collected data regarding the number of applicants who are military spouses. However, over the past five (5) years the Board has issued 26 temporary pharmacist licenses on average.

The Board does not predict any non-administrative revenue increases from this bill under assumption of exemption due to limited prescriptive authority and its existing reciprocity framework through the National Association of Boards of Pharmacy (NABP).

NOTICE-AGENCY ESTIMATE OF ADMINISTRATIVE IMPACT REQUESTED

This bill has administrative impact that appears to increase duties or responsibilities of one or more state agencies and may impact agency spending or staffing requirements. As introduced, the bill does not modify any state agency budget or current personnel authorizations.

The following state agencies will be asked to provide their estimate of the administrative fiscal impact prior to the first committee meeting held to consider the bill:
